

### **From South Jersey**

1. Cross the Delaware River on the Benjamin Franklin Bridge. Follow signage for Valley Forge and West. After the split in the Schuylkill Expressway for Roosevelt Boulevard, get in your right lane and exit at Germantown- Lincoln Drive. Go over the river and follow signage for Lincoln Drive. Follow Lincoln Drive through the woods and along Wissahickon Creek and then in a winding path through residential Upper Germantown and West Mount Airy to its dead end, approximately six ( 6 ) miles. Turn RIGHT onto Allen's Lane and continue for approximately one ( 1 ) mile to its dead end. Turn LEFT onto Germantown Avenue. Follow Germantown Avenue for approximately three ( 3 ) miles to Southampton Avenue ( the fourth stop light ). The Knit With is located in the heart of the Chestnut Hill business district almost immediately before the 4th light in a stone, Colonial House ( yes it's historic, which adds some unique charms ). We are on the left side of the Avenue, set back from the road and up from the roadway, directly across the street from The Chestnut Hill Hotel and on the same side as the Ford dealership.
