

From Collegeville and West Montgomery County

1. Take Germantown Pike Route 422 East to Philadelphia for approximately twelve (12) miles. Travel through Plymouth Meeting and Lafayette Hill. After first sharp bend in the road to the right , you will see signs welcoming you to Philadelphia and Chestnut Hill. Go over the bridge and through the woods, climbing the hill of Chestnut Hill. After the bridge, begin counting stop lights. The Knit With is located almost immediately after the 8th light in an old, stone, Colonial House (yes it's historic, which adds some unique charms) and your first bend in the road to the right after the start of the trolley tracks. We are on the right side, set back from the road and up from the roadway (and therefore hard to see). Landmarks are The Chestnut Hill Hotel (directly across the street from The Knit With) and the Ford dealership at the end of the block. If you have passed the Ford dealership you have gone too far.
